Abstract

We'll put a more unified abstract here - maybe combine the two from MathFest, and add on as we find more

1 Introduction

2 Initial Thoughts

3 Data Collection

4 Initial Findings

4.1 What We Have Discovered

4.1.1 Watching Clips and Sifting through Twitter

4.1.2 Our Program

4.2 Naive Bayes

Go more into depth.

5 Further Discussion

Can change section title and add more sections, but this will be what we find later

6 Conclusion
